Table Linen Rental Procedure and Policy

Rental Procedure

1. Place your order. There is a minimum order for rented linens of \$50.00. We will have the goods shipped to arrive on or before the date you request them. We can even ship to you overnight if required. You pay for the rental and shipping.
2. Rental period is 7 days - beginning with the day you receive your rented linens. Your linens must be in transit on or before the seventh day of this rental period using the return label(s) provided. Bright Settings[™] Table Linen Rental will pay for the return shipping in the continental U.S. We ask that you return the linens in the boxes they were originally shipped in or a similar size. You must return the linens using the UPS return label provided.
3. Please notice the clear plastic envelope on the outside of the box when it arrives. This will contain your return instructions, a packing slip, and the authorized return label. (There will be a return label provided for each box shipped).
IMPORTANT: The return labels are valuable so don't lose them. Missing labels must be reported to us on the day the boxes are delivered. Otherwise, there will be a \$10.00 charge to send each new label. Do not return any linens to Bright via COD. Any COD charges will be billed back to your account. You will be responsible for getting the rented items to UPS at the end of the seven-day rental period. If not, you will be charged an additional week's rental fee at the beginning of each consecutive late week. In addition, if any returned linens are damaged or missing, you will be charged for their replacement cost.
4. When you are finished with the rented items, fold the unlaundered cloths carefully to fit into the boxes. Write your name and address on the return label, and put it on the box.
5. Bright will acknowledge receipt of a returned rental ONLY if returned with the label you were sent. Please do not mix cloths from different shipments from us or from other rental companies.
6. Take the box (or boxes) to a UPS drop-off location. If you prefer, you can call UPS (1-800-PICKUPS) 1-800-742-5877 and request that they pick the package up. They will charge you a nominal fee for the pick-up service. That's all you need to do! UPS will take the boxes and Bright Settings[™] Linen Rental will absorb the return shipping costs.
