

Spun Polyester Solid Colors

You won't believe it's not cotton! This 100% Spun Polyester fabric has the look and feel of cotton but provides the benefits of a polyester. Spun Polyester is easy to care for, durable, and absorbs spills. Great for holding napkin folds.

Fabric width - 120"

If your tablecloth is wider than 120", there will be seams.

AVAILABLE COLORS The colors below may vary depending on how you're viewing this catalog. The only way to be sure of the color is to order a fabric sample before making your table linen purchase.

CARE INSTRUCTIONS

Warm to hot water wash less than 140 degrees. Use a gradual cool-down or split rinse. Use bleach with caution: it can cause fading or color change. Use mild detergent only. Avoid high alkaline level. Avoid fabric softeners.

Keep extraction time short (30-60 seconds) to minimize wrinkles. Do not overload dryer. Drying temperature should not exceed 140 degrees. Do not over-dry, only 10-20 minutes. To avoid wrinkles, remove while still slightly damp and warm. Pat flat and fold promptly.

Have a question to ask previous customers? Submit it online from the fabric page.

Pricing and Information

Sold individually, column pricing is for quantities in the same size and color. To see what size tablecloth you need and how linens are finished, refer to page 34.
